

Kia Ora,

What a bustling month May was at Community House! One of the standout events was our Brand and Marketing Strategy Essentials session, where Kit from Serious shared his expertise through an engaging talk and workshop. The feedback from attendees was overwhelmingly positive, with many describing it as both valuable and practical. We're truly thankful to Kit for donating his time to deliver such a worthwhile session.

JOB VACANCY

Founders Care Trust

About us

Founders Care is a Boutique Residential service for People with Intellectual Disability (Learning disability) and has been in Whanganui for 30 years. There are three homes in the Whanganui community. The people live in a flatting environment with support from staff to participate in activities/clubs/groups in the community and go to work placements or day services through the working week.

Vision: To provide flexible services that support people with disabilities to have optimal choice in how they live, what they do and where they live.

Mission: To provide quality community based residential care for people with intellectual disability.

Rostered shifts: The shifts are single staffed and rostered over a fortnight with every second weekend off.

Sleepovers with alternate Saturday or Sunday shifts are part of the roster.

Founders Care has a Board governed by parents and community members and run day-to-day by the Manager, great Team Leaders and Support staff.

Qualifications & experience

- Experience supporting people with learning disabilities preferred. Qualifications relative to the disability sector ideal. Mentoring and training will be given.

Tasks & responsibilities

- Provide support for people with Intellectual disability (learning disability) to manage their day to day activities including but not limited to: Transport, Medication management, Personal care tasks, Attending work options, participating in the community, meals, house work, shopping, hobbies and interest clubs.

Benefits

- A job with variety and what you do makes a difference
- A great environment work with People where you can make a difference in their life. The staff are great. The environment is lovely. Rosters are 7 days a week work with 7 nights of sleepovers.
- Opportunity for casual shifts in addition to rostered shifts.
- Training options for career development.

For Enquires please email your CV to Support@founderscare.org.nz or call Wendy Kopura 06 34 55 663

15 ways to celebrate National Volunteer Week

National Volunteer Week 15–21 June 2024 honours the collective energies and mana of all our volunteers in Aotearoa. Volunteering New Zealand leads the week and encourages all volunteer-involving organisations to celebrate their volunteers.

We know that volunteers are the life-blood of our organisations, we couldn't do without them!

Here are some ideas to mark National Volunteer Week. Pick and choose the ones that resonate with you.

Te Wiki Tūao ā-Motu
national volunteer week

15–21 JUNE 2025

- 1. Check out nationalvolunteerweek.nz** for everything you need to know about NVW2025.
- 2. Whiria te tangata is this year's theme** – wherever possible, use the NVW2025 theme as the basis for all your activities and celebrations. Use #NVW2025 in your promotions!
- 3. Social Media Campaign** – Share pictures on social media, give a shout-out to your volunteers by holding star or heart print-outs and share using #NVW2025
- 4. Collaborate** – connect with local community groups to create a combined NVW2025 campaign (shared effort, more impact!).
- 5. Celebratory event** – hold a morning/ afternoon tea, or maybe your crew would prefer a BBQ, to thank volunteers and their families.
- 6. Thank you cards** – Thank you cards are available at nationalvolunteerweek.nz, or make your own.
- 7. Certificate of recognition** – Use NVW as an opportunity to formally acknowledge your volunteers. A Certificate template is available at nationalvolunteerweek.nz
- 8. Create thank you videos** – interview a manager or self-record a thank you to your fabulous volunteers. Post it on your website or social media.
- 9. Volunteer recognition** – contact local media with stories about your volunteers (even better when they're told from the perspective of your volunteers).
- 10. Ask your volunteers** – ask your volunteers to choose from options e.g. a combined event, or individual recognition
- 11. Share your volunteer stories with Volunteering New Zealand** – share your good news stories about volunteers
- 12. Contact your local Volunteer Centre** – Your local Volunteer Centre is the best place to start for learning about what online events and activities are happening in your region for NVW2025.
- 13. Nominate volunteers for local awards** – (often run by Volunteer Centres) or create your own awards, and award celebration
- 14. Give small practical gifts** – a potted plant, foodie items etc.
- 15. Use NVW2025 to encourage regular interactions between your whole team** – If you're a volunteer involving organisation, consider what regular team interactions between volunteers and paid staff you could establish to help strengthen relationships.

Learn about the Ombudsman

Join us to learn more about the work of Ombudsman NZ, their services, and how they can assist you with any concerns you may have regarding government agencies.

Ombudsman NZ is an independent watchdog overseeing public sector agencies. They receive complaints from individuals who are unhappy with decisions made by central and local government, including those related to the release of official information.

See details below:

When: Friday, 27 June 2025

Time: 10.00am to 11.30am

**Where: Conference Room 100, 1st Floor Community House, 60
Ridgway Street, Whanganui**

Please RSVP attendance to manager@communityhouse.org.nz

This is a Free community event and is open to anyone interested.

Whanganui's local elections are coming up this October!

To make sure you're enrolled to vote visit [vote.nz](https://www.vote.nz)

ELECTORAL COMMISSION
TE KAITIAKI TAKE KŌWHIRI

Council elections are coming up on 11th October!

2025 is a council election year, with the big day coming up on 11 October. We want as many people in our community as possible to exercise their democratic rights and vote!

Local elections happen by postal vote. You'll receive your voting packs in the mail between 9 – 22 September.

Local elections give us the chance to choose leaders we think will make the best decisions about the services and infrastructure we rely on every day, like roads, parks, water, and community facilities.

If you want a council that reflects your views and values, it's very important you vote. So please make sure you're enrolled and that your address is up to date by visiting [vote.nz](https://www.vote.nz)

Here in Whanganui, we'll be voting for a mayor, 10 general ward councillors and, for the first time, two Māori ward councillors (if you're on the Māori roll).

This year, voters will also be asked whether they support the continuation of Māori wards, as part of a national referendum.

For more information on how voting in local government elections works, Māori wards, or to check your enrolment details, visit [vote.nz](https://www.vote.nz)

You can also visit [Election 2025 Whanganui District Council](https://www.election.govt.nz/whanganui)

THE WOMEN'S NETWORK

The Women's Network continues to enrich the lives of women and their whānau in Whanganui, as we have done for nearly 40 years. There is no criteria for walking in the door, simply come in because you can. If you're experiencing some of life's bumps, you don't have to do it alone. Come and chat in a safe and supportive space with professional guidance. Together, we can work out a plan to enable you to move through the bumps and achieve your goals. **All welcome.**

WINTER WONDERFEST Get involved with our tenth annual Winter Wonderfest which is set to come on at ya from 6-23 August. We are looking forward to bringing you the confirmed line-up in July. Stay tuned! The festival theme is 'Connect, Empower, Inspire'.

KŌKĀ MOVIE PREMIERE AT EMBASSY 3 Join us on **Thursday 12 June** for an advance screening of this NZ film – an intergenerational story about a journey of healing, community and reconciliation. Tickets \$25, including refreshments. Contact: steph.lewiswhanganui@gmail.com

TERRIFIC TUESDAY Tribal Bellydance classes are fun! This style of dance is earthy and grounding, with walks and steps that fit your body. Classes happen on Tuesdays from 11am-12pm for all levels of experience. Cost \$40 for 6 sessions or \$10 per class. Ph/txt Jill 021 141 4257. Wiggle and giggle to a dance with a difference! **On the third Tuesday each month we host our Women Who Lead inspo series** in partnership with Sport Whanganui and The Barracks. Join us from 5:30pm where we will showcase an incredible woman each month as our special guest for a truly amazing couch conversation. The entry is free and the experience is priceless.

WOMEN ON WEDNESDAY Connecting women who live or feel alone. If you're a woman looking to meet other women who live alone, join us on **the first Wednesday each month** for a social meet up. There are two groups: 1:30pm at The Barracks or 5:30pm at the Women's Network. Kōhā is welcome. Feel free to email us if you'd like to join our mailing list for updates.

YOGA + MASSAGE Emma from Embark Yoga delivers an exciting range of all age yoga activities with us. If you are just beginning your yoga journey, or simply need some time for yourself, our team recommends the 'Gentle Stretch & Relax' session here **every Wednesday from 12:30pm**. Check out the full timetable or find out more about the classes on offer, by emailing Emma: embarkyoga@gmail.com or visit her Embark Yoga Facebook page for regular updates. Emma is also a trained and excellent massage therapist and offers a range of treatments.

SERVICES We are here to cheerlead for YOU, through the rough and the smooth. We can assist with making personal action plans, compiling CVs and job application letters, developing strategies to improve communication and get on track, as well as supporting you through any challenging or changing times in your personal, work or family life. We continue to provide free pregnancy testing and sexual health information/referrals, and we're a good place to "drop in" for general community info and advice. Not to mention we have a brilliant pre-loved clothing 'shop' that you're welcome to browse during our drop in times.

CONTACT US Find us in the iconic Ladies' Rest Building [next to the Royal Wanganui Opera House] at 75 St Hill Street where you can **drop in from 10am-2pm weekdays, apart from Tuesday when we open for drop in from 10am-noon; and Monday by appointment only**. Appointments are also available between 9am-4pm weekdays so feel free to call us on 345 6833 or email: womnet.whanganui@gmail.com if you want to make one.

Check us out on Facebook, - be a friend on our La Fiesta NZ, Winter Wonderfest Whanganui, and Women's Network Whanganui pages! Find us on Instagram too, @Women's Network Whanganui

NGĀPUHI
KOTAHITANGA

SAVE THE DATE:
NATIONAL MĀORI HOUSING CONFERENCE 2025
MONDAY 20TH – THURSDAY 23RD OCTOBER

Ngāpuhi invites you to explore the kaupapa of **KOTAHITANGA** - unity in Māori leadership, innovation, and collaboration - as a mechanism to co-create transformative solutions for the future of Māori housing.

Exciting Additions to the Programme:

- **International Indigenous Section:** Gain insights from Indigenous housing leaders worldwide, exchanging knowledge and strategies for meaningful impact.
- **Waitangi Housing Expo – Kāinga Street (dates and more information to follow):** A showcase of housing innovations, practical solutions, and inspirational projects shaping the future of Māori housing.

Join us in Waitangi this October for engaging discussions, expert panels, and workshops that inspire action. Programme updates, registration, and accommodation details will be available from February.

Ngāpuhi looks forward to hosting you!

"We have done too much not to do more. We have come too far not to go further."
– Tā Hemi Henare

Funding

Margaret Watt Children's Trust Incorporated

Applications are invited for grants from this Trust. The Trust aims to assist New Zealanders aged up to 20 years in their training for life.

Applications for grants must be received on the official Application form, obtainable from the Administrator at the Trust Office-:

St Paul's in the City Church- 112 Guyton Street,
Phone 06 345 9318, or email officestpaulschurch@inspire.net.nz

Successful applicants will be required to complete an evaluation of the outcome of their project within 9 months of receiving the funding.

Applications close on 31 July 2025. No late applications will be accepted.

Be informed and get involved with Antenno!

Whanganui District Council has a new mobile app, Antenno, that allows you to receive alerts and notifications about places and topics you care about, such as water shut-offs near your home or closures at your local sports ground. You can also use Antenno to report issues or submit ideas to the council.

Install Antenno now - it's free to download.

WHANGANUI DISTRICT COUNCIL
Te Kauhira o Rongia o Whanganui

www.whanganui.govt.nz/antenno

Anxiety and depression can affect people of all ages, regardless of culture, ethnicity, gender or socioeconomic factors. Every area of a person's life, and of those they are close to, may be impacted.

The magazine '*On My Mind*' is a new resource developed for teens/young adults with someone they know affected by some form of mental illness, anxiety or depression, whether it be a member of their whanau, a friend, or even themselves.

'*On My Mind*' is an informative and interactive story for rangatahi - presented with modern graphic/comic style artwork. The magazine offers ways for a young person and their whanau to understand what is happening, 'start the conversation' and to find out where to get support and help.

The purpose of '*On My Mind*' is to:

- Provide a better understanding of how mental illness can affect some people.
- Break down some of the barriers caused by mental illness.
- Encourage open discussion, kōrero, with whānau, friends and others who can offer support.

'*On My Mind*' is now available for \$5.00 per copy, (plus P&P).

Please don't hesitate to get in touch with me if you have any questions, or would like to order copies.

Ngā mihi nui

whanganuirepaircafe@gmail.com

for more info on available repairs – follow & share on

Dear Repair Café Visitor

If you cannot carry your repair item on your own, one of our skilled volunteers will assess it and advise if the repair can be undertaken on the spot. They can also offer advice for lengthier repairs.

The range of repairs possible is growing all the time: general repairs; mending for clothes and soft toys (no zips); costume jewellery; hard plastics; wooden items e.g. toys, stools, dining chairs; ceramics; shoes (patches) and leather goods; knife sharpening; small electrical appliances (odd-numbered months); metal objects, sewing machines (even-numbered months).

Our café will be open. You are welcome to buy a hot drink and something to eat while you wait.

Please contact us if you wish to join our happy team of volunteers –
or know someone who might. Full training is provided!

Courtesy on our Shared Pathways

LET'S GO

Courtesy is paramount on our pathways, they are there for us all to share.

- Keep left to allow others to manoeuvre past you.
- Stay to the path, we share this environment with plants and animals.
- Cyclists beware there are slow moving pedestrians ahead, so keep your speed down, keep left and yield to other users.
- Ring your bell or say hello if you are coming up on someone.

USE 105 FOR POLICE NON-EMERGENCIES

Community News

MARTON icthub

Who are we?

We are a charitable trust improving computer access and skills in our community since 2010 with hubs in Marton and Rātana. We support digital inclusion for all and address the four elements of **motivation, access, skills and trust**.

- To be **motivated**, NZers must understand how the internet and digital technology can help them and have a reason to engage.
- NZers need **access** to digital devices, software and content they can afford, including connectivity, affordability and accessibility.
- NZers need **skills** ie. the know-how to use the internet and digital technology in ways that are appropriate and beneficial.
- NZers need to **trust** in the internet and online services. They need digital literacy to manage their information and avoid scams and harmful information.

Who are we for?

Everybody, but especially those who are missing out. ie. rural and isolated, young, old, low income, Māori and Pacifica

Anyone wanting to improve their computer skills or make their phone, tablet or computer work for them.

Improving computer access and digital skills in our communities

MARTON icthub

What can we provide?

- Apple iMac and Microsoft Windows computers for you to use.
- a place to bring your own phones or tablets or computers for us to look at, or help you buy updated equipment.
- help with any pesky problems you are having.
- we can just do things for you, if you don't want to learn – upload, download, print or scan.
- a chance to learn at your pace, a little bit each week, as well as a hot drink and conversation.
- help with Word and Excel and any other programme or app you need for work or play.
- Licenses with Ancestry for genealogists and Adobe Creative Cloud for graphic designers that you can use
- a space to book exclusively for your own group to meet for training or other purpose.
- a printer, laminator and 3D printer, tea and coffee facilities, TV and whiteboard.
- our manager can come to you for one-to-one training or business support for reasonable hourly fee.

We rely on donations and trust funding to continue to exist, so if you want us to be here when you have a problem, please use us now and consider making a donation. If you have specialist computer skills, you could donate your expertise or you could donate your time as a volunteer with us.

VOLUNTEERS NEEDED!

We are looking for volunteers to help out at our community centre and library. If you love meeting and chatting with people and are happy to get stuck in and lend a hand with the day to day running of things, please get in touch.

We strive to make our centre welcoming, friendly and non judgmental.

If you can spare a few hours, particularly in the afternoons, we'd love to hear from you. Give us a call, flick us a message or call into 65 Hakeke St and speak to Lisa or Courtney.

All volunteers will be police vetted.

Volunteers / Help Wanted

Friends of the Opera House

VOLUNTEERS NEEDED!

At the Royal Whanganui Opera House we are in need of volunteers for the following roles – doormen, upstairs ushers, sweetstall, young students confident with cash handling to sell ice creams, and some younger bodies to join the backstage crew.

Also a warm welcome would be extended to any fit and active volunteers who would be keen to assist at our working bees where you can learn about what goes on behind the scenes of a live theatre.

If you are keen to put your name forward to volunteer at this beautiful historic theatre, please contact President Margaret Johnson on 0274-509-456 or by email to bejae9@gmail.com – or alternatively call into the Box Office and complete the volunteer application form.

SEEKING NEW MEMBERS

We are also seeking community minded individuals who would be keen to financially assist the Friends of the Opera House preserve this beautiful historic building as a full working theatre for generations to come.

The annual subscription of \$20 per person will entitle you to receive our quarterly newsletter, plus special benefits are sometimes offered to members for selected productions.

Your support as a financial member of the Opera House would be greatly appreciated.

Please call at the Box Office 10am – 1.30pm Monday to Friday to register your membership.

SCAN ME

Wanganui Community Patrol
P O Box 443
Whanganui

Do you want to do something to support your community and Police to reduce local crime?

Safer communities are achieved when people take an active role in preventing crime happening to themselves, their families and friends.

Community Patrols of New Zealand work with Police and share the objective of creating safer, more caring communities.

Through being a member of a Community Patrol, people can create relationships throughout their local community and learn how to protect one another through working with Police.

Community Patrolers are trained to know what to look out for as they act as extra "eyes and ears" through intelligence and observation for New Zealand Police.

If you would like to join our team call us on: 06 348 1968, or email: secretary@wqcpnz.onmicrosoft.nz

Or scan the QR code below and click on Central to share your contact information with us.

WHANGANUI FILM SOCIETY

taking you further into film

Want to go to the movies, but finding it too expensive?

Join Whanganui Film Society. We screen every Monday night at 7pm at the Davis Theatre, Whanganui Regional Museum. You pay for a year or a half-year and movies end up costing around \$3 per screening! We also have a 3-film pass so you can "try before you buy".

Our film selection is carefully curated and there's something for everyone. Forget your blockbusters. This is real cinema, for film lovers.

Grab a brochure from round town, or check out our website.

Join online at www.nzfilmsociety.org.nz/whanganui

Interest Groups

Community Art

Whanganui Creative Space is a Free Community Art Studio at 76 Guyton Street on the second floor.

It is open from 10am until 2pm on Mondays and Wednesdays. On Tuesday's appointments can be made to attend quieter sessions between 10am and 2pm.

Whatever your ability you will be given a warm welcome with free tuition and art materials. The Studio is dependent on grants and donations, any contribution however small is much appreciated.

This Charitable Trust is run by a small Board of volunteers who would be pleased to include others who have an interest in the Arts and an interest in furthering access to the Arts by those differently abled.

For further information phone/text Linda 021 230 4095 or the Art Tutor by email art.whanganuics@gmail.com

Members.
- There is an outing arranged (at home or away)
for every month.
A coffee morning every month.
A monthly Club Newsletter.

Rebus is an association of Active "Seniors"
who join together by forming Clubs.
This provides regular occasions to keep minds
active, expand interests and enjoy the ready
fellowship and conviviality of new friends.

A Brief History of Rebus.

Rebus NZ Inc was established in 2015
when the majority of Probus Clubs in NZ
voted to Become independent of the
Australian governing body.
Our Club is now in its 42th Year since
formation and in 2015, became an affiliate.
of Rebus NZ Inc, a New Zealand
accreditation agency for the former Probus
Clubs.

JOIN OUR WALKING GROUP!

Our Club G.O.L.D Wanganui Walkers are a fun group of people who get together twice a week for a walk and a cuppa. Would you like to join them? They would love to have you!

Come along to Sport Whanganui on a Tuesday and Thursday at 9am and enjoy a social walk and a good chat afterwards over a hot drink.

The first Tuesday of each month the group leaves from a set location (i.e. Caroline's Boatshed or Virginia Lake).

We look forward to seeing you, and if you have any questions, phone Deb on 06 349 2325.

Join U3A to keep your brain ticking.

Think about joining U3A. Annual membership is only \$15.

Way to Play course – Whanganui

Wednesday 4th June

Join us for Way to Play to understand why young autistic tamariki may find social interaction stressful, how to overcome that stress, and the simple steps to joyful and purposeful play.

- A fun one-day introduction to playing joyously for anyone directly involved with young autistic tamariki approx 0-8 years old.
- Offers simple, easy to use, practical strategies and a better understanding of the importance of play and interpersonal engagement with autistic tamariki.
- Ideal for whānau/family, ECE or primary teachers, health, community or other professionals, and anyone living or working with autistic children.

Wednesday 4th June, 9.30am – 3.30pm

Hakeke Community Centre, 65 Hakeke Street, Whanganui

Family/Whānau \$25.00/person

For parents, primary caregivers, and wider family/whānau.

Professionals \$125.00/per person

For ECE or school teachers, SLT's, OT's, other therapists, RTLB's, support workers, or other professionals and non-whānau interested in Autism.

Places are limited!

To book and for more details or to share visit

ECE Participation Programme

The Early Childhood Education Participation Programme will provide free support, advice and guidance to families and whānau with children who are not currently participating in Early Childhood Education (ECE).

We will help your families and whānau to:

- Develop and work together to achieve early learning goals for your children, set in your home and at an ECE service.
- Identify the early childhood education service that supports your needs and aspirations including the identity, language and culture of your children.
 - Transition your children to school.
 - Identify and establish a relationship with an appropriate school.
- Support or advocate for issues and needs that impact you and your family, to be addressed by the appropriate government agencies.

ECE helps develop the building blocks for the rest of a child's life and learning. Research shows that intensive and regular participation in quality early childhood education delivers long-term educational benefits for children and society.

Vaccinations for whooping cough and influenza will be available to pregnant women

Support Services for Whanau & Children

PROTECT AGAINST MEASLES

Are your children under 5 protected against measles?

- Measles can be dangerous, particularly for children under 5.
- It spreads very quickly and in serious cases can lead to pneumonia and brain infection.
- About 1 in 10 people with measles need to go to hospital.
- In a small number of cases, measles can be fatal.
- Your child needs two doses of the measles vaccine to be fully protected.
- The first dose is given at 12 months and the second dose at 15 months of age.
- If your child is more than 15 months old and hasn't had both doses of the measles vaccine, talk to your doctor or nurse.

What is measles?

- Measles is a viral infection that is very contagious.
- It's spread through coughing and sneezing.
- Symptoms usually begin with high fever, cough, runny nose, and red watery eyes, then develop into a rash starting on the face and moving down the body.

How effective is the measles vaccine?

- The measles vaccination, also called the MMR vaccine, protects children against three viral infections – measles, mumps and rubella.
- The vaccine is very effective. After one dose, about 95 percent of people are protected from measles and after two doses more than 99 percent of people are protected.

How do I find out if my child has had their measles vaccination?

- Check if your child is up to date with their vaccinations by looking in their New Zealand Well Child Tamariki Ora (Plunket) book. Or check with your doctor.

**Te Kāwanatanga
o Aotearoa**
New Zealand Government

HR6227 | Measles under 5 - A5 Flyer | 15.09.22

Te Whānau Ora
Health New Zealand

Are there any side effects from getting the measles vaccination?

- A small number of children may get a headache, fever, nausea (feeling sick) and feel unwell and tired.
- Some children might develop a rash.
- Most side effects only last a day or two.

Can a child older than 5 get a measles vaccination if they haven't had it already?

- People older than 5, especially young people who moved to New Zealand when they were older, may not have had their measles vaccination yet.
- It's important to get your measles vaccination no matter what age you are, since it's so contagious and spreads very quickly.
- If you're not sure if you've had your measles vaccination ask your doctor.

Getting your child's measles vaccine is easy and it's FREE

- Your child can get their FREE measles vaccination at your doctor.
- Many pharmacies also offer the measles vaccine too.

Talk to your doctor, Well Child Tamariki Ora Nurse or visit your local pharmacy for more information.

To find out more visit
www.health.govt.nz/children-measles
or call Healthline on 0800 611 116

Support Services for Seniors

Do you have time to spare for older people?

Are you feeling that you spend too much time on your own, or know Someone who Is?

There are many reasons why this can happen as we get older, and Age Concern can help. We match clients with friendly, caring volunteers for regular visits because a little company can make a big difference!

We're looking for

- ✓ **Older people (65+) who are at risk of social isolation and would enjoy a regular visitor for company and connection**
- ✓ **Volunteers (18+) who can commit to an hour a week, are good listeners, and want to make a difference**

To find out more please reach out and contact Heidi Raikes our Visiting Service coordinator at Age Concern Whanganui.

Referrals from Health Care providers and other community services welcomed

Welfare Guardian Trust

*P.O. Box 351
Whanganui 4541
New Zealand*

WHO ARE WE?

The Whanganui Welfare Guardian Trust is a charitable trust whose membership:

- recruits
- approves
- trains
- supports and
- allocates vulnerable persons to community volunteers known as Welfare Guardians.

Community volunteers become Welfare Guardians through the Family Court to act on behalf of people who lack the capacity to make or communicate decisions for themselves. All Board members and Welfare Guardians act within the Protection of Personal and Property Rights Act.

WHO IS ON THE TRUST?

The Trust consists of Board people who bring various fields of expertise and experience to ensure the Trust's aims are met.

Board members typically have a background in:

- health
- social work
- aged-care representation
- family court work
- education
- law.

WHO NEEDS A VOLUNTEER WELFARE GUARDIAN?

- Those people who are incapacitated and have no living relatives

- Those people who have no local relatives
- Those people who have relatives but who are deemed unsuitable by the Court for a variety of reasons.

WHO DECIDES THAT A PERSON IS INCAPACITATED AND A WELFARE GUARDIAN IS NEEDED?

A judge from the Family Court may appoint a Welfare Guardian by referring to:

- the application forms and affidavits,
- a recent medical report, and a
- Court-appointed lawyer's report.

WHO CAN BE A WELFARE GUARDIAN?

The person the Court appoints must:

- be 20 or older and capable of carrying out a Welfare Guardian's duties satisfactorily
- be someone who will act in the incapacitated person's best interests
- not have any conflict of interest with the incapacitated person.

WHAT DOES A WELFARE GUARDIAN DO?

A) Unless a Court Order has limited their role a Welfare Guardian can make decisions and consent to actioning the following for the incapacitated person:

- non-urgent medical procedures
- accommodation and care issues
- any day-to-day matters that affect the care and welfare of the incapacitated person.

B) The Welfare Guardian must, by law

- act to promote and protect the incapacitated person's welfare and best interests

MSD CHANGES

Date	Change
1 May	Winter Energy Payment starts for everybody receiving a main benefit, pension or Jobseeker Support Student Hardship. People don't need to apply. If they meet the criteria, it's paid automatically until 1 October every year.
26 May	A range of changes are proposed to be introduced, subject to the Social Security Amendment Bill passing.
26 May Broadening sanctions and the Traffic Light System To find out more about all of these changes read our website here or see the attached fact sheets.	
	Money Management and Community Work Experience From 26 May 2025, it is proposed that: - Two new non-financial sanctions, Money Management and Community Work Experience will be introduced. - They will be for clients who don't meet their obligations for the first time and who have dependent children, or are working with a dedicated case manager.
	Obligation failure period From 26 May, it is proposed that: The period over which an obligation failure counts will be extended from one to two years.
	Jobseeker profiles From 26 May, it is proposed that: Those applying for, or transferring to some benefits will have to complete a Jobseeker profile to help them prepare or look for work.
	Youth Payment and Young Parent Payment benefits From 26 May 2025, it's planned that: - Young people receiving Youth Payment or Young Parent Payment will be included in the traffic light system by having a colour added to their MyMSD profile. - Their obligations and sanctions will not change.

Support Services

1 July | Jobseeker Support reapplication changes

To find out more about all of these changes read our website [here](#).

26-week reapplication process

From 1 July 2025, it is proposed that people will get Jobseeker Support for 26 weeks (6 months) before they need to reapply, instead of 52 weeks (12 months).

Sole parents and 'grandparented' clients getting Jobseeker Support

From 1 July 2025, there are proposed additional changes for sole parents and 'grandparented' clients who get Jobseeker Support.

- *Sole parents* are the primary caregiver whose youngest dependent child is 14–18 years old.
- '*Grandparented*' clients are people who were getting Domestic Purposes Benefit – Women Alone or Widow's Benefit before 15 July 2013, and have remained on Jobseeker Support since then.

These changes are:

- The annual income assessment will become a weekly income assessment which means people will need to declare income as they earn it and if it changes and,
- The temporary employment period will no longer be available. Currently this allows people in certain situations to work full-time for a temporary period and keep getting Jobseeker Support.

We use this information to make sure we pay people the right amount.

Transferring from Sole Parent Support to Jobseeker Support

From 1 July 2025, anyone getting Sole Parent Support who is working 30 hours or more a week won't be able to get Jobseeker Support when their youngest dependent child turns 14 years.

We will be telling these clients in a letter 28 working days before their Sole Parent Support stops.

More information

There's more information on the [Work and Income website](#).

We will include information about the changes in the upcoming client newsletter.

Community Work Experience

MSD client obligations

There are things Ministry of Social Development (MSD) clients need to do when they get payments from us. If they don't do them, their payments could reduce or, under the proposed changes from 26 May*, they may have to do something like Community Work Experience or Money Management. These are called non-financial sanctions.

Only people who have dependent children or a dedicated case manager will be eligible for these new sanctions.

The vast majority (over 98%) of MSD clients are doing the right thing and meeting their obligations. This means they're at green in the traffic light system, and Community Work Experience won't apply to them.

** The introduction of Community Work Experience is subject to the Social Security Amendment Bill being passed.*

About Community Work Experience

Community Work Experience is an opportunity for MSD clients to build community connections, skills and confidence. For a client to be assigned Community Work Experience, we'll make sure the client is interested in community work, has good people skills and consider if they already have community connections.

If a client is asked to do Community Work Experience they'll have up to two weeks to find a suitable placement/s with a community organisation. They'll need to complete at least five hours of Community Work Experience each week, for four weeks.

They'll then be able to add this work experience to their CV.

Examples of suggested activities

Suggestions of the activities your organisation could engage the person to do include:

- helping out at a hospice
- supporting at a local church
- sorting donations at a charity shop
- assisting at an animal rescue shelter
- gardening and cleaning at a marae
- helping out at the local sports club by setting up and packing away gear.

Support Services

Activities will ideally help our clients develop valuable work-related skills, build confidence, and connect with others in their community.

MSD will need to confirm both the activities suggested, and the organisation, are suitable. Once this has happened, the client can begin their activities.

Types of organisations

Non-profit organisations, charities, clubs or marae can be involved in supporting our clients. Written confirmation (from an authorised person) will need to be provided by the organisation, to confirm agreement. The client will bring a Community Work Experience Form to the organisation of their choice. Then MSD will approve both the activities and organisation as being suitable for Community Work Experience.

What's required from the authorised person from the community organisation

You'll need to agree to activities for the client to undertake. They're likely to need supervision for the duration of their time with your organisation, as any new person would. You'll also need to agree when the client will do the work (at least five hours a week for a four-week period).

Our client will have the form for the authorised person to complete and sign.

This written agreement will confirm your organisation's name, address, phone number, the activities the person will be doing, location, planned hours of work over the four-week period.

This community work experience won't be paid, and cannot take the place of a current or future paid position.

During the four-week period, MSD will need to know if the person stops attending the placement. We'll also want feedback and confirmation once the placement has been completed.

Oversight or supervision will be required

As with anyone brand new coming to work in your organisation, a welcoming environment will be important. They'll also need the resources, tools, training and support to do the work while they're at your organisation.

The person is considered an employee of the organisation for the purpose of the Health and Safety at Work Act and the Human Rights Act. Your organisation will also need to maintain safe working conditions.

The client has two weeks to find their Community Work Experience before they start. This means there may not be time for full background checks to be done, for example.

If you need to contact us about Community Work Experience

Contact the case manager involved or your local service centre.

Broadening sanctions and other traffic light system changes

The Ministry of Social Development (MSD) supports clients to build independence for themselves and their whānau. Our government's target is to reduce the number of Jobseeker Support clients by 50,000 by 2030.

The traffic light system was launched in August 2024. It's to help clients with work, work preparation and social obligations stay on track with some of their obligations.

Most of our clients are doing the right thing and meeting their obligations. This means they're at green in the traffic light system.

These changes are subject to the Social Security Amendment Bill being passed. All changes are proposed to be introduced on 26 May 2025.

Non-financial sanctions

Right now, people have their benefit (e.g. Jobseeker Support) reduced by 50% if they don't meet their obligations for the first time without a good reason. It's a sanction, or consequence, for not doing what's required to get their benefit.

It is proposed that some people may be able to get a non-financial sanction rather than having their benefit reduced.

From 26 May 2025, clients who don't meet their obligations for the first time and **who have dependent children, or a dedicated case manager** may instead have **one** of these:

- have 50% of their benefit go onto a payment card for four weeks to be used with approved suppliers (called **Money Management**). They also need to recommit with their obligations by completing an activity
- have to find and do at least five hours of **Community Work Experience** each week, for four weeks.

Eligible clients can only get a non-financial sanction if they have an appointment with MSD within five working days after they fail their obligations.

These will also apply to eligible partners who haven't met their obligations for the first time.

Considerations for when to apply these sanctions

Eligible clients will meet with a case manager to discuss which sanction is the most appropriate for them. Case managers will take into account everything that is relevant to a client's individual circumstances before deciding which sanction to apply.

Support Services

Some examples of the types of things they will consider for Money Management are:

- rent payments
- debt repayments
- any redirections clients may have
- if they have variable income.

Some examples of the types of things case managers will consider for whether Community Work Experience is suitable for a client are:

- having an interest in community work
- having good people skills
- having limited skills and relevant work experience
- any community connections the client already has.

More about not meeting obligations

If clients don't meet their obligations without a good reason, this is called an 'obligation failure'. Currently, this counts against their benefit for 1 year, and could affect their payments from us.

If they don't meet their obligations again during that year the sanction, or consequence, increases and their payments will reduce or stop. Any new obligation failure will count against their benefit for two years instead of one.

Jobseeker profiles

People will have to complete a Jobseeker profile if they're applying for or transferring to Jobseeker Support or Sole Parent Support. This also applies to Emergency Benefit if clients have conditions similar to work-test obligations.

Jobseeker profiles will become mandatory, to help people prepare or look for work. We'll be able to have early work conversations with people, and support them to match with the job vacancies we list.

Most partners will also need to do this too – we'll let them know if it's required. Profiles are either completed online in MyMSD, or on kiosks available at Work and Income service centres.

Youth Payment and Young Parent Payment benefits

Young people getting Youth Payment or Young Parent Payment will be included in the traffic light system by having a colour added to their MyMSD profile. The traffic light colours will help them stay on track with their youth activity obligations.

None of the other changes will apply to them.

Addiction 101

Understanding addiction and recovery

About the workshop

Blueprint for Learning training reflects a philosophy of recovery and empowerment using best practice to help people become full and active members of their communities.

Our workshops use adult education principles, with a variety of activities, videos and teaching tools to cater for different learning styles of participants. In addition, our expert facilitators bring a wealth of professional and personal experience to the topics covered.

Participants will receive a workbook with Addiction 101 notes, additional reading, a directory for support and assistance, and access to a post-workshop e-learning module to assist them to apply what they have learnt.

This workshop is fully funded by the Ministry of Health; there is no cost to participants.

"I have found the workshop excellent and I have a more informed awareness of addiction"

"I have learnt strategies to engage with people about addiction issues and ways in which I can maintain my own wellbeing while doing so"

Across the year, across the country

Addiction 101 can be delivered anywhere in New Zealand, at your place or ours.

We can accommodate up to 24 participants in each face-to-face workshop (9.00am to 4.30pm) or webinar series (over three sessions). Individuals can register to attend a community workshop in your region or for a webinar series through our website.

Blueprint for Learning can run Addiction 101 for a specific industry or workplace as either a face-to-face workshop or webinar series. We will work with you to understand your industry and the people who will be attending to ensure examples are relevant to your workplace.

Co-facilitation

The workshop is co-facilitated by someone who has lived experience of problematic substance use and other behaviour, and someone who has clinical experience working in addiction services. This is a powerful way to explore stigma and discrimination which demonstrates that recovery is possible.

Learning outcomes

After attending Addiction 101 participants will be able to:

- use Te Whare Tapa Whā to understand addiction and recovery
- recognise signs of addiction
- relate brain and body responses to addiction
- respond supportively to people experiencing addiction.

The impact is worth it

Addiction 101 is designed to increase awareness and reduce stigma associated with addiction - both at work and in everyday life. It also provides valuable skills on how to look after your own health and wellbeing.

Delivered face to face or by webinar, Addiction 101 workshops positively impact on the lives and futures of individuals and organisations, as well as our communities.

Highest quality learning

Blueprint for Learning is one of New Zealand's largest training providers in mental health and addiction, dedicated to both workforce development and community training projects.

Our team has delivered more than 1300 workshops to over 30,000 participants since 2008.

Blueprint for Learning is an NZQA accredited Private Training Establishment. We have the highest quality Category 1 External Education and Review rating in education achievement and self-assessment issued by NZQA.

Teaching your teen to drive made easy

Learning to drive can be a stressful and nerve-wracking experience, not just for the learner but also for the parent or coach. Waka Kotahi and ACC have developed [Drive](#), an online hub with all the tools learners and coaches need to get through the learning process together.

Drive is primarily designed to help young people become confident, capable drivers, and provides clear guidance throughout their journey from before they get their learner's licence through to getting their full license. However, parents and coaches can also take advantage of lots of hints and tips to take all the stress out of teaching someone to drive.

Drivers between the ages of 16 and 24 are most at risk of being in road crashes; they make up 13% of licence holders but represent 30% of serious injuries on our roads, and more than 25% of fatalities. Drive has been developed specifically for this age group and is a free, learn-to-drive programme that helps young people get their licence and develop the right habits for a lifetime of safe driving.

For more information you can also have a look at [Teaching your teen to drive made easy \(acc.co.nz\)](https://acc.co.nz/teaching-your-teen-to-drive-made-easy)

Support Services

100% of School Leavers in Whanganui in
Education, Employment and Training

We support local youth by ensuring they have the
necessary skills to be work ready

We want the youth of Whanganui to
have an edge over the
competition for employment and
education opportunities

Our Work Ready Passport
programme helps potential
employees demonstrate the traits and
personal qualities good
employers look for.

Many local organisations are
endorsing the importance of the Work
ready passport. We have links to local
businesses actively looking for work
ready employees

Work Ready Passport graduates will :

- Have a structured CV with referees
- Be drug free
- Have a restricted license
- Have work experience
- Have demonstrated resilience
- Be able to work as part of a team
- Have a proven work ethic
- Have money management skills
- A portfolio of achievements and supporting evidence

Support Services

Stroke Education Groups

These small group education sessions are for anyone affected by stroke. They cover a range of topics and provide an opportunity for you to connect with others also affected by stroke in your community.

Support for Young People

It can be especially hard for young people when a parent or loved one has a stroke. Children and teenagers can call 0800 What's Up (0800 942 8787) to talk to a counsellor for free.

Free resources specifically for young people affected by a parent or loved one's stroke are also available on the Stroke Foundation's website.

Online Café

If you want to connect with others affected by stroke from the comfort of your own home, you can attend the Stroke Foundation's online café. This is a free online meeting held on the second Wednesday of each month at 11AM. Each session has a different speaker and topic relevant to stroke and aiding recovery.

Stroke Groups

You can join a stroke group and connect with others in your community affected by stroke. All stroke groups are different. They may involve exercise programmes and other social activities. There are stroke groups operated by volunteers throughout Aotearoa.

Other Places to Get Help

If your hospital team does not refer you to the services you need to support your recovery, you can ask your family doctor to refer you to additional healthcare professionals. You might do this if you want help to manage your medication, if you need equipment or adaptations to your home to improve your mobility and safety, or if you need in-home support or extra help with your rehabilitation.

Health Coaches and Health Improvement Practitioners work in many general practices and hauora provider teams, and can support you with your health and wellbeing needs and goals. You don't need a referral from your doctor and there is no cost to see them. Call your family health provider to find out what is available in your area.

About the Stroke Foundation

The Stroke Foundation is the national charity dedicated to stroke prevention and improving outcomes for stroke survivors and their whānau. The generosity of individuals allows us to provide every aspect of our life-changing services.

If you want to find out more about donating or fundraising to help protect the lives of people living in your community, please call 0800 45 99 54 or email fundraising@stroke.org.nz

Support available after stroke – we are here to help you

stroke.org.nz

At the Stroke Foundation we understand just how challenging it can be to recover from

a stroke; and we're here so you don't have to go through it alone.

This leaflet outlines the support and services available to you and your whānau after you have been discharged from hospital.

Once you have read it, you will be able to choose which support options are right for you, and if you would like us to explain these more to you, call our free helpline, 0800 STROKE (0800 78 76 53).

Quick References

Free helpline:
0800 STROKE (0800 78 76 53)

Email support:
help@stroke.org.nz

Online resources and information about local groups and events:
stroke.org.nz/gethelp

Free counselling for young people:
0800 What's Up (0800 942 8787)

Free Helpline: 0800 STROKE

You can call the Stroke Foundation's free helpline for support and guidance. You will be connected to a Community Stroke Navigator who has in-depth knowledge of stroke and the health and disability system. You do not need a referral: anyone can call this helpline, including whānau and caregivers. The helpline is open from 9am-5pm weekdays.

Return to Work Advice and Support

Our specialist Return to Work Advisors are available to assist stroke survivors with employment and work-related advice and support following a stroke. Ask your medical team about eligibility for this service and to make a referral, or give us a call.

Community Stroke Navigators/Kaiārahi

If you need extra support after your stroke, you can ask a health provider to refer you to our Community Stroke Navigator/Kaiārahi service.

This is a free service for stroke survivors with complex needs. If needed, one of our Community Stroke Navigators can provide more in-depth support to aid your recovery.

Online Resources

You can find free resources on the Stroke Foundation's website. These include information sheets on what to expect when you've had a stroke, ways to reduce your stroke risk, practical guidance on caring for someone who has had a stroke, and looking after your physical and emotional wellbeing after a stroke.

Life After Stroke Seminars/Wānanga

To learn more about life after stroke, you can attend a Life After Stroke seminar/wānanga. This is a half day event that the Stroke Foundation provides in communities across Aotearoa. Seminars cover a mix of topics about life after stroke and provide an opportunity to connect with others affected by stroke in your community.

The Counselling Centre (Marton)

www.counsellingcentre.org.nz

located at 18 High Street, Marton

Phone (06) 327 5245

We provide Counselling and Family Therapy to individuals, couples and families in the wider Rangitikei district. This geographical area covers the rural towns of Marton (where we are based), Hunterville, Turakina, Ohingaiti, Mangaweka, Taihape and Bulls.

We are an incorporated society managed by a committee of local people. We receive funding to keep our service functioning from a number of different sources which include government agencies and charitable trusts.

Clients can self-refer and we also receive referrals from professional and health services in the Rangitikei district.

Our counsellors are skilled and experienced with professional counselling qualifications, are Members of New Zealand Association of Counsellors (MNZAC) and have strong networks and connections within the Rangitikei area.

We ask our clients for a small donation of between \$5.00 and \$40.00 per counselling session depending on financial ability. However, if it is too difficult to make a donation we are happy to provide Counselling at no charge.

Health Support Services

SURVIVING GRIEF

- The aim of this loss and grief programme is to provide support to people through bereavement.
- Trained volunteers will listen and encourage in a non-judgemental way.
- Confidentiality will be respected.
- The service is open to adults 18 years and over who are at least 6 months into their grief journey. However, a trained volunteer is available if personal support is needed before this timeframe.

Surviving Grief is an education programme which explores the effects of change, loss and grief within the safety and support of a small group setting.

The programme consists of

4 sessions held weekly,
each lasting 2 hours.

Two further follow up sessions
are held within the following three months.

Surviving Grief is based on the work of William Worden, who says that healthy grieving involves a number of tasks.

Each of the first four sessions will focus on one of Worden's four tasks of grief:

1. To accept the reality of the loss
2. To work through the pain of grief
3. To adjust to an environment where the deceased is missing
4. To emotionally relocate the person and reinvest emotional energy into life

Gender Affirming Healthcare

pridewhanganui.co.nz/gender-care-whanganui

PRESS RELEASE – FRIDAY 6th SEPTEMBER 2024

Whanganui Welcomes Its First Gender Affirming Healthcare Clinic

Gender Care Whanganui, the city's pioneering clinic for gender affirming healthcare, is officially launching with support from Pride Whanganui and funding from Health New Zealand | Te Whatu Ora. This groundbreaking initiative represents a significant advancement in the region's commitment to equitable and compassionate healthcare for gender diverse people.

Clinic Overview

Gender Care Whanganui is set to provide a comprehensive range of services tailored to support the unique needs of those seeking gender affirming care. The clinic's offerings include consultations with a Gender Affirming GP, peer support, clinical psychology services, support groups, and access to gender affirming products. The clinic will initially operate on a monthly basis, with a review of its frequency scheduled after six months.

Funding and Support

This new clinic is made possible through a \$100,000 funding grant over three years, awarded by Health NZ following a successful application by Gender Care Whanganui. This is part of an initiative designed to improve access to gender affirming primary care for transgender and non-binary people in Aotearoa and support improved health outcomes.

Need for the Clinic

The establishment of Gender Care Whanganui responds to a critical need identified by the Rainbow Healthcare Reference Group, a coalition of 24 medical professionals from

Manawātū and Whanganui, community feedback obtained by Pride Whanganui and research conducted by Health and Research Collaborative Whanganui. The results underscored significant barriers faced by transgender and gender diverse individuals in accessing adequate healthcare, with elevated risks of mental health issues and distress. This clinic aims to address these disparities by providing a dedicated space for gender affirming care.

Clinic Operations and Services

Patients will benefit from a supportive environment focused on individual needs and goals. Services provided include consultations with a Gender Affirming GP, access to peer support workers, clinical psychology, and gender affirming products. Importantly, there is no cost to patients for appointments. The clinic will not replace patients' existing GPs for other medical needs and instead will complement ongoing care.

Appointment Information

To make an appointment, individuals complete a self-referral form available on the Pride Whanganui website. Health professionals can follow the community health pathway for advice on how to refer or complete the self-referral form on their patient's behalf. First appointments will focus on understanding patients' needs and discussing their gender affirming healthcare goals. Hormone therapy and other treatments will be considered following a comprehensive evaluation.

For further information or any queries, please contact:

Email: health@pridewhanganui.co.nz

Website: www.pridewhanganui.co.nz/gender-care-whanganui

Health Support Services

ABOUT US

Gender Care Whanganui aims to support a person's gender affirming healthcare goals which may include exploration of gender expression, support around social transition, hormone therapy as well as other requirements. Patients will have access to a wide range of services depending on need and personal preference. These services include but are not limited to; a Gender Affirming GP, Peer Support Workers, Clinical Psychologist, Support Groups, Resources/Information, Gender Affirming Products.

THE HOW + THE WHY

Gender Care Whanganui is driven by Pride Whanganui and funded by Te Whatu Ora, Health New Zealand. In the 2022 Budget, the Labour Government announced \$2.2 million in additional funding to assist providers around the country to better provide gender affirming care to gender diverse people.

Associate Minister of Health (at the time of announcement) Dr Ayesha Verrall said, "For far too long gender diverse people have experienced poorer physical and mental health outcomes compared to the general population. Our commitment is to build a health system that treats people with fairness and dignity, that is why we're making sure it becomes more responsive to people who have faced exclusion and prejudice".

pridewhanganui.co.nz/gender-care-whanganui

GENDER AFFIRMING HEALTHCARE

PEER SUPPORT

APPOINTMENTS

Our Peer Support workers are able to accompany you to appointments, offering emotional support and practical assistance. They can help you navigate the clinic, provide reassurance, and be a sounding board for your thoughts and concerns.

ADDITIONAL

As well as supporting you at appointments, our Peer Support workers are able to connect you with relevant resources, such as support groups, community organisations, or educational materials.

CHECK INS

As a patient paired with a peer support worker you can expect regular check-ins that offer ongoing support.

GP SERVICES

QUESTIONS/ENQUIRIES

At your initial appointment, you can discuss or ask questions around the various aspects of transitioning, including hormone therapy, surgical options, and general health considerations. The GP will provide information, resources, and guidance tailored to your goals and help you navigate the healthcare system with a focus on your well-being and comfort.

GENDER AFFIRMING HORMONE THERAPY

As well as discussing what Gender Affirming Hormone Therapy (GAHT) is and does, our GP will review your medical history, discuss your goals and any concerns you might have and explain the different options available. They will provide detailed information about the potential benefits, risks, and expected outcomes of hormone therapy.

SURGERY REFERRALS

Discussing gender-affirming surgery involves a detailed consultation. The GP will listen to your goals and concerns, explain the different types of surgeries available, and discuss the benefits, risks, and recovery processes associated with each option. They will assess your overall health and readiness for surgery, and guide you through the steps of preparation, including any required evaluations or consultations with specialists.

Pride Whanganui

Pride Whanganui offers a drop-in space three times a week - Wed, Thurs, Fri from 10am-2pm at 64 St Hill Street. They're able to offer 1:1 support, give you information about local support groups or help connect you with additional services or organisations who are advocates for the LGBTQ+ Community.

Pride Whanganui have support groups for Youth, 18+, 60's+ and Parents/Caregivers of LGBTQ+ people.

64 St Hill Street, Whanganui

Medical alarms for true independence

SECURELY®

Enabling you to live with confidence and independence

What happens when you activate your medical alarm?

How you activate your pendant and communicate to us is outlined in detail in the User Manual that came with your alarm.

Here's a summary of what happens when you press your pendant, or your Fall Detector Pendant is activated.

- Once your pendant is activated you will hear your Base Unit sound an alarm. This alarm goes through to our 24/7 Monitoring Call Centre in Levin where we have operators waiting to assist you.
- We will answer your call by asking if you have a medical emergency and need help.
- If we don't hear from you, we will send an ambulance to your home which we pay for if you are transported.
- If you can talk to us, tell us what is wrong so we can either send an ambulance or notify your emergency contact. If we can't notify your emergency contact (which we listed when we first talked to you) we will send an ambulance which we pay for if you are transported.

Cancelling your alarm

If you pressed your pendant by mistake or your Fall Detector Pendant activated by mistake press the CANCEL or RESET button on your Medical Alarm Base Unit. We have more than one type of medical alarm so check your User Manual on how to do this.

If you don't manage to cancel it quick enough and it activates your Base Unit.

don't worry, let us know when we talk to you that it's a mistake. We will use it as an opportunity to test your alarm strength and check your contact details are up to date.

Paying an ambulance bill

If you are transported to hospital in an ambulance for an emergency, we will pay for it. There is no limit to how many ambulances we pay for unless you live in a Retirement Village which could have a different agreement with us.

When you receive your ambulance bill post it to us at:

Pendant Testing

We recommend you test your pendant every month. This gets you familiar with using your pendant and talking to us via your Base Unit. The pendant test allows us to make sure your pendant is working correctly and to check your contact details are all up to date.

When testing your pendant, press and hold the activation button. When your Medical Alarm Base Unit receives the signal it will make a sound to let you know. When you then hear one of our operators ask if you need assistance, simply tell them you are testing your alarm.

When you go away

If you are away for more than a few days let us know by pressing your pendant. When we contact you through the Base Unit tell our operator you are going away and when you expect to be back. That way, if we can't get hold of you, we won't send an ambulance.

What happens if you need a new battery or something isn't working as you think it should?

Call us on 0800 865 865.

If you need a new battery for your pendant, we will arrange for a replacement at no cost to you.

What happens if you lose your medical pendant?

Call us on 0800 865 865 to arrange a replacement.

PERS®

The Personal Emergency Response System (PERS) consists of a pendant (neck or wrist) and a main alarm unit.

You can activate the alarm by pressing the pendant or the big red button on the unit.

PERS is connected to SECURELY's 24/7 Monitoring Centre via the cellular network, so it doesn't need a landline to work. The main unit plugs into the wall power outlet, but it also has a battery in case of a power outage. Both the wrist and neck pendant run off batteries.

This system is designed to be added on, this is where the + comes in. We can add on to the main unit with other devices, such as Fall Detector Pendant, extra pendants, even smoke and flood detectors.

Family System

You can't always be there to watch your loved ones, but we can.

Our FAMILY system uses sensors to monitor daily activity with "rules" that send an alert if unusual activity is detected.

FAMILY can alert caregivers and family if a door has been left open for a long period, or at an unusual time. It can alert you if the fridge door hasn't been opened after a specified time, which may mean your loved one isn't eating or drinking.

Perhaps best of all, FAMILY sends you a text every morning to let you know your loved one is "awake and active".

Family members and/or nominated caregivers can discreetly monitor a loved one's activity and raise the alarm if something unusual happens.

Any alarm activation via the pendant or main unit goes directly to SECURELY's 24/7 Monitoring Centre.

Medical alarms that leave the others behind

SECURELY®

Enabling you to live with confidence and independence

GO

Our mobile medical alarm

We've got you covered inside your home, but what about when you leave your house to go shopping or on vacation? GO is our mobile medical alarm that you can take with you.

It works wherever there is reliable cellphone coverage and it uses GPS to help locate you in an emergency. It has 2-way communications so we can talk to you when you activate the alarm and find out how we can help you.

Once you activate your pendant, it works like any other of our alarms.

You will be connected to our 24/7 Monitoring Centre who will ask whether you need help. The monthly fee includes 24/7 Monitoring (365 days per year) and unlimited ambulances (if called for an emergency and you are transported to hospital).

At no extra cost, you can have the Fall Detection option (when worn as a pendant around your neck only) and you can choose to wear your pendant around your neck or attach it to your car keys.

GO is water-resistant and can be used in the shower or worn at the beach.

Contactless delivery

When you order GO, we'll call you to get everything sorted. GO will be couriered to your home (or work address) and we will help you get GO set up over the phone.

Call **0800 865 865** for a free no obligation quote and product demonstration.

SECURELY® is MSD accredited which means you may receive funding for a medical alarm if you are eligible.

Could you hear your smoke alarm if there was a fire?

All conventional smoke alarms in New Zealand emit a high pitched sound which can be difficult for people with age or noise related hearing loss to hear, especially when their hearing aids are removed at night for sleeping.

If you, or someone you know has a hearing loss it could be worthwhile checking if they can hear their conventional smoke alarm especially during the night.

If not please email Life Unlimited Hearing Therapy or phone 0800 008 011 for a free assessment.

Our hearing therapists are qualified assessors for this specialised equipment.

There is some funding available where specific criteria are met.

Hearing Wanganui Hearing Protection Programme

This is an educational, scientific, fun and interactive programme that is designed primarily for children aged between 8 – 12 (Year 4 to 8) to learn about decibels, hearing and how to prevent hearing loss.

The Hearing Protection Programme has been proven effective in changing attitudes and behavior associated with hearing. You get to explore sound, the way it travels, and how you can protect your hearing for years to come! For further information or to book a Hearing Educator for your school, club, group, social event, or just needing a guest speaker please phone:

Hearing Wanganui / 06 347 9743
35 Dublin Street, Wanganui 4500

Find us on
Social Media

The sexual health clinic is conveniently located within the Whanganui Hospital, outpatient department on the ground floor and is a FREE to all and confidential specialist service.

We are a team of specially trained Doctors and Nurses who provide a service that is non-judgemental and user-friendly. We provide free condoms and give information and advice on sexual health matters.

You can ask any question you have about your sexual health. This service is a walk-in clinic.

The walk-in clinic is open on a **Thursday from 4.45pm-6pm** and we have a first come-first serve system, which means we cannot promise you will be seen if you arrive later in the clinic, on a busy day.

You can ring, text or leave a message on our cell phone 021 323 077.

Our clinic offers **FREE**:

- Consultations
- Condoms
- Diagnosis and management of:
 - Sexually Transmitted Infections (STIs), including Syphilis and HIV.
 - Other related genital problems including genital skin conditions and genital pain.
- Specialist services upon GP referral.
- Consultation and advice on other sexual and reproductive issues.
- Pre-exposure prophylaxis for HIV (PrEP)

Heart Health

Heart disease is the biggest killer in New Zealand, and accounts for one third of all deaths each year.

Coronary artery disease (CAD) is the most common heart disease. The arteries that supply blood to your heart muscle (the coronary arteries) become hardened and narrowed due to the buildup of cholesterol and other material, called plaque, on their inner walls.

This build-up is called **atherosclerosis** and as it grows, less blood can flow through the arteries and the heart muscle can't get the blood or oxygen it needs. A gradual blockage can result in angina, while a sudden or severe blockage can cause a heart attack or cardiac arrest. The heart muscle can also weaken and cause blood pumping problems or irregular heart beat issues.

Risk factors for coronary artery disease

Some risk factors you can't do anything about. These include age, ethnicity, gender, personal or family history of heart attack or stroke.

Other risk factors you can change. Your risk of developing CAD is increased if you:

- **smoke**
- **have high blood pressure (hypertension)**
- **have a high blood cholesterol level**
- **don't exercise regularly**
- **have diabetes**
- **are overweight**

Get a check - it's easy

A heart and diabetes check works out your risk of having a heart attack or stroke in the next 5 years. It will also tell you if you have diabetes or pre-diabetes.

The check lets you know what your risk is and gives you the chance to talk to your doctor about ways to improve your health and lead a healthier life.

It's quick, painless and it might just save your life.

When should men have a heart and diabetes check?

You should get a heart and diabetes check if you are in one of these groups:

- **Māori, Pacific and South-Asian men over 30**
- **European men over 45**
- **you have a family history of heart problems**

More information about heart and diabetes checks and heart disease is available through the Heart Foundation website.

Blood Pressure - the silent killer

So you have had a check up and your doctor tells you that you have high blood pressure. What does that mean?

Blood gets pumped around the body when our hearts fill and contract, putting pressure on the arteries.

This pressure is highest when leaving the heart and lowest when it returns.

Measuring and describing these (high/low numbers) gives your blood pressure.

Ideally you are 120/80 ('120 over 80') or lower.

High Blood Pressure - Hypertension

Hypertension occurs when there is too much pressure in your blood vessels. This can damage your blood vessels and cause health problems. Think too much air in your tyres.

Anyone can develop high blood pressure, but it becomes more common as you get older. High blood pressure can lead to strokes, heart attacks, heart and kidney failure. It's a silent killer because we only know it when we measure it.

Anything over 140/90 and you need to start lowering it.

What to do?

1. **Get checked regularly. High blood pressure has no warning signs or symptoms. It's silent. Know your numbers and know your risk.**

2. **Your doctor may prescribe medications. Take them.**

3. **Do the sensible stuff: moderate physical activity, eat lots of fruits and vegetables, maintain a healthy weight, cut down on salt and booze, avoid processed meat, and don't smoke.**

4. **Remember - start small and big changes can come. But start.**

Blood pressure tests are quick and easy. You can do them at doctors, pharmacies, other health providers or even at home.

The single most important thing that a person with high blood pressure can do is to have an ongoing relationship with a primary care provider. Go to your doctor, establish what your blood pressure is, and then when that changes, your doctor will recommend steps that will keep you from the clutches of the world's biggest 'silent killer'.

Big takeaway:

Have your blood pressure checked at least once every year by a health care provider, or more often if your blood pressure is high.

Blood Pressure	Systolic mm HG (TOP NUMBER)		Systolic mm HG (TOP NUMBER)
Normal	<120	AND	<80
Elevated	120 - 129	AND	<80
High Blood Pressure (STAGE 1 HYPERTENSION)	130 - 139	OR	80 - 89
High Blood Pressure (STAGE 2 HYPERTENSION)	>140	OR	>90
Hypertensive Crisis (SEEK MEDICAL ATTENTION)	>180	AND/OR	>120

50%. A healthy waistline should be half (or less) your height.
More than a third of our population are classified as obese.
Belly fat is the bad kind, but healthy eating and moderate exercise
can turn this around. Use your belt as your positive progress guide.

St John Health Shuttle

St John Health Shuttles operating
between Wanganui and Palmerston North

- Health Shuttle bookings should be made at least 24hrs before your appointment.
- Health Shuttles are provided as a community service, and your donation to the driver assists us to keep the service running.

Please phone **0800 266 547** between 8:30am and 2pm,
Monday to Friday to book for health-related appointments.

Ngā Tohu Whakaora e 3 3 Steps for Life

3 Steps for Life is designed to give all New Zealanders the confidence and awareness to take action when somebody suffers a cardiac arrest by:

1. Calling 111

2. Starting CPR

3. Using an AED

A 3 Steps for Life Awareness Session is for all members of the community to introduce them to life saving skills for people in a cardiac arrest. The awareness session will cover basic CPR and AED skills. Anyone can participate, and the course is completely free of charge. An awareness session is approximately one hour long.

To register your interest in the Awareness Programme, send your name, location and how many people you would like to attend to 3stepsforlife@stjohn.org.nz.

Health Matters

The Waka Ora Health Shuttle is a koha (donation) based community service, delivered by volunteers, that transports people to health and wellbeing related appointments, and then brings them home again.

Keeping our communities healthy

For people who have regular medical appointments, their local Waka Ora Health Shuttle is a lifesaver. They book a ride knowing that our reliable shuttles will get them there in plenty of time.

Supporting independent living

No need to miss essential appointments or ask friends and whānau to take time out of their day. Waka Ora Health Shuttles are a great option if you don't drive, if public transport or taxis aren't available where you live, or if you can't rely on them.

An easy way to get to your health appointments

We can arrange to pick you up from your home or another meeting point to take you to doctors visits, dental appointments, specialist appointments, day-surgery, or any other type of health or wellbeing appointments.

We're here to make it easy for you to get to your important appointments!

Well-trained volunteers

Our friendly and fully trained volunteers pick you up and take you to where you need to go.

Special transportation

Some of our shuttles are fitted with hoists or wheelchair access, for clients with limited mobility.

The contact number for the St Johns shuttle from Whanganui to Palmerston North is 0800 266 547 for any other services it would be best to contact St Johns on 06 345 0878.
